

GREEN DAY LYRICS

F.O.D. (Fuck Off and Die) Lyrics

Something's on my mind
It's been for quite some time
This time I'm on to you
So where's the other face ?
The face I heard before
Your head trip's boring me

Let's nuke the bridge we torched
2,000 times before
This time we'll blast it all to hell
I've had this burning in my guts now
for so long
My belly's aching now to say

Stuck down in a rut of dislogic and smut
A side of you well hid
When it's all said and done
it's real and it's been fun
But was it all REAL fun

Let's nuke this bridge we torched
2,000 times before
This time we'll blast it all to hell
I've had this burning in my guts now
for so long
My belly's aching now to say

You're just...a fuck.
I can't explain it 'cause I think you suck.
I'm taking pride,
In telling you to Fuck Off and Die.

I've had this burning in my guts now for so long
My belly's aching now to say
I'm taking pleasure in these doubts i pass to you,
So listen up 'as you bite thissss'...

You're just...a fuck.
I can't explain it 'cause I think you suck.
I'm taking pride,
In telling you to Fuck Off and Die.

Good...night.

I Was Alone...I Was All By Myself.
No One Was Looking...I Was Thinking Of You
Oh Yeah Did I Mention...I Was All By Myself?

All By Myself
All By Myself
All By Myself

I Went To Your House...but No One Was There.
I Went In Your Room...I Was All By Myself.
You and Me Had...Such Wonderful Times.
When I'm All By Myself.

All By Myself

Too Much Too Soon Lyrics

She's always living like she's running out of time
Too much just ain't enough to keep her satisfied
Her plastic card is filled with nothing comes to mind
It's now her occupation that she's overqualified

The looks are always so deceiving
The truth is always misconstrued
To you

Too much too soon
Too little and now your coming unglued
Too much too soon
Too late and now it sucks to be you
Too much too soon
Too little and now your coming unglued
Too much too soon
Too late and now it sucks to be you, too

He's talking shit about how it's better way back when
He lives every waking moment as means to an end
We are we are but i'm not
I never used to be
So god bless your fucking past and to hell with your glory

The looks are always so deceiving
The truth is always misconstrued
To you

Too much too soon
Too little and now your coming unglued

Too much too soon
Too late and now it sucks to be you
Too much too soon
Too little and now your coming unglued
Too much too soon
Too late and now it sucks to be you, too

Too bad too sad this is goodbye and bon voyage
Farewell see you in hell I hope you rest in pieces
Fuck You!
Oh... oh oh oh
Oh... oh oh oh
Oh... oh oh oh

Too much too soon
Too little and now your coming unglued
Too much too soon
Too late and now it sucks to be you
Too much too soon
Too little and now your coming unglued
Too much too soon
Too late and now it sucks to be you, too

Woah oh oh

Jinx Lyrics

I fucked up again its all my fault
so turn me around and face the wall
and read me my rights and tell me i am wrong
until it gets into my thick skull

a slap on the wrist
a stab in the back
torture me ive been a bad boy
nail me to the cross and tell me
you have won
i lost before i did any wrong

im hexed with regrets and bad luck
so keep your distance its rubbing of
or you will be damned to spend your life in hell
or earth with me tangled at your feet
you finally met your nemesis
disguised as your fatal long lost love
so kiss it goodbye until death do we part
you fell for a jinx for crying out loud

I'm a curse hangin' around you X4

"Don't Leave Me"

I'll go for miles
Till I find you
You say you want to leave me
But you can't choose
I've gone thru pain
Every day and night
I feel my mind is going insane
Something I can't fight

Don't leave me
Don't leave me

A blank expression
Covering your face
I'm looking for directions
For out of this place
I start to wonder
If you'll come back
I feel the rain storming after thunder
I can't hold back

Don't leave me

I'll go for miles
Till I find you
You say you want to leave me
But you can't choose
I've gone thru pain
Every day and night
I feel my mind is going insane
Something I can't fight

Don't leave me

Longview Lyrics

Sit around and watch the tube, but nothing's on
Change the channels for an hour or two
Twiddle my thumbs just for a bit

I'm sick of all the same old shit
In a house with unlocked doors
And I'm fuckin' lazy

Bite my lip and close my eyes
Take me away to paradise
I'm so damn bored I'm going blind
And I smell like shit

Peel me off this velcro seat and get me moving
I sure as hell can't do it by myself
I'm feeling like a dog in heat
Barred indoors from the summer street
I locked the door to my own cell
And I lost the key

Bite my lip and close my eyes
Take me away to paradise
I'm so damn bored I'm going blind
And I smell like shit

I got no motivation
Where is my motivation?
No time for the motivation
Smoking my inspiration

Sit around and watch the phone, but no one's calling
Call me pathetic, call me what you will
My mother says to get a job
But she don't like the one she's got
When masturbation's lost its fun
You're fuckin' lonely

Bite my lip and close my eyes
Take me away to paradise
I'm so damn bored
I'm going blind
And loneliness has to suffice
Bite my lip and close my eyes
I was slipping away to paradise
Some say, "Quit or I'll go blind."
But it's just a myth

"Green Day"

A small cloud has fallen

The white mist hits the ground
My lungs comfort me with joy
Vegging on one detail
The rest just crowds around
My eyes itch of burning red

Picture sounds
Of moving insects so surreal
Lay around
Looks like I found something new

Laying in my bed
I think I'm in left field
I picture someone, I think it's you
You're standing so damn close
My body begins to swell
Why does 1 + 1 make 2

Picture sounds
Of moving insects so surreal
Lay around
Looks like I found something new

Laying in my bed
I think I'm in left field
I picture someone, I think it's you
You're standing so damn close
My body begins to swell
Why does 1 + 1 make 2

Picture sounds
Of moving insects so surreal
Lay around

"Knowledge"

[Originally by Operation Ivy]

I know that things are getting tougher
When you can't get the top off from
the bottom of the barrel,
Wide open road of my future now...
It's looking fucking narrow.

All I know is that I don't know nothing.
We get told to decide.
Just like as if I'm not going to change my mind.

All I know is that I don't know nothing.
Whatcha gonna do with yourself,
Boy better make up your mind...

Whatcha gonna do with yourself boy,
You're running out of time.

This time I got it all figured out:
All I know is that I don't know nothing...
And that's fine.

"409 In Your Coffeemaker"

I sit in the state of a daydream
With all of your words flying over my head
Even more time gets wasted
In a daze

It should seem obvious to you
Your screams and cries are never going to work
And all of your time gets wasted
In my daze

And I'm looking back now
At where I have gone wrong
And why I could not seem to get along
My interests are longing
To break from these chains
These chains that control
My future's aim...

I sit in the state of a daydream
With all of your words flying over my head
Even more time gets wasted
In a daze

Maybe I'm just too damn lazy
Or maybe I was just brainwashed to think that way
And all of your time gets wasted
In my daze

And I'm looking back now
At where I have gone wrong
And why I could not seem to get along
My interests are longing
To break from these chains
These chains that control
My future's aim...

I'm looking-
back now at-
Where I have-
have gone wrong...
And why I -

could not seem-
Could not seem-
to get along...

And I'm looking back now
At where I have gone wrong
And why I could not seem to get along
My interests are longing
To break from these chains
These chains that control
My future's aim...

"I Want To Be Alone"

I lock myself inside my room
I WANNA BE ALONE
With you around, you'll only add on
I WANNA BE ALONE
Its been disturbed by my thoughts
I WANNA BE ALONE
With you around, you'll only add on
I WANNA BE ALONE

Please don't think I'm crazy
I don't want you to understand
My mind is growing hazy
To hell with your helping hand
Why don't you just leave me alone
This conflict is my own
Keep your sources away from me
That's all

I lock myself inside my room
I WANNA BE ALONE
With you around, you'll only add on
I WANNA BE ALONE
Its been disturbed by my thoughts
I WANNA BE ALONE

With you around, you'll only add on
I WANNA BE ALONE

Please don't think I'm crazy
I don't want you to understand
My mind is growing hazy
To hell with your helping hand
Why don't you just leave me alone
This conflict is my own
Keep your sources away from me

That's all

I lock myself inside my room
I WANNA BE ALONE
With you around, you'll only add on
I WANNA BE ALONE
Its been disturbed by my thoughts
I WANNA BE ALONE
With you around, you'll only add on
I WANNA BE ALONE

Please don't think I'm crazy
I don't want you to understand
My mind is growing hazy
To hell with your helping hand
Why don't you just leave me alone
This conflict is my own
Keep your sources away from me
That's all

"2000 Light Years Away"

I sit alone in my bedroom
Staring at the walls
I've been up all damn night long
My pulse is speeding
My love is yearning

I hold my breath and close my eyes and...
Dream about her
Cause she's 2000 light years away
She holds my malakite so tight so...
Never let go
Cause she's 2000 light years away
Years Away!

I sit outside and watch the sunrise
Lookout as far as I can
I can't see her, but in the distance
I hear some laughter,
We laugh together

I hold my breath and close my eyes and...
Dream about her
Cause she's 2000 light years away
She holds my malakite so tight so...
Never let go
Cause she's 2000 light years away
Years Away!

I sit alone in my bedroom
Staring at the walls
I've been up all damn night long
My pulse is speeding
My love is yearning

I hold my breath and close my eyes and...
Dream about her
Cause she's 2000 light years away
She holds my malakite so tight so...
Never let go
Cause she's 2000 light years away

"Dominated Love Slave"

I want to be your dominated love slave
I want to be the one that takes the pain
You can spank me when I do not behave
Mack me in the forehead with a chain

Cause I love feelin' dirty
And I love feelin' cheap
And I love it when you hurt me
So drive them staples deep

I want you to slap me and call me naughty
Put a beltsander against my skin
I want to feel pain all over my body
Can't wait to be punished for my sins.

Cause I love feelin' dirty
And I love feelin' cheap
And I love it when you hurt me
So drive them staples deep

Yee-hah!

Cause I love feelin' dirty
And I love feelin' cheap
And I love it when you hurt me
So drrrrriiveeee.....Staples?

Blood, Sex And Booze Lyrics

Waiting in a room
All dressed up and bound and gagged up
To a chair

It's so unfair
I don't dare to move,
for the pain
She puts me through
is what I need
so make it bleed

I'm in distress,
oh mistress I confess
so do it one more time
These handcuffs are too tight, well
You know I will obey,
so please Don t make me beg
For blood, sex and booze you give me

Say I'm disturbed
its what I deserve,
another lesson to be learned
from a girl called kill

My head is in the gutter
Thank you sir, strike up another
mandolin of discipline
Throw me to the dogs
Let them eat my flesh down
To the wood
It feels so good

I'm in distress,
oh mistress I confess
so do it one more time
These handcuffs are too tight, well
You know I will obey,
so please Don t make me beg
For blood, sex and booze you give me

Say Im disturbed
its what I deserve,
another lesson to be learned
from a girl called kill

Cha!

Whoo!

Woah... Oh....

Im in distress
oh mistress, i confess
so do it one more time
these handcuffs are too tight, well.
You know i will obey,
so please dont make me beg
for blood, sex, and booze you give me AAAAAARRRR!

Woah... oh....

Woah... oh....

I'll show you a real time.
