Here To Stay

This time I'm taking it away
I've got a problem
With me getting in the way
My violent side

So I take my face
And bash it into a mirror
I won't have to see the pain
Awaiting for me

This state is elevating
As the hurt turns into hating
Anticipating all the fucked up feelings again

The hurt inside is fading
This shit's gone way too far
All this time I've been waiting
Oh I can not grieve anymore

For once inside awaking
I'm done, I'm not a whore
You've taken everything
And oh I can not give anymore

My mind's done with this
Okay, I've got a question:
"Can I throw it all away?"
Take back what's mine

So I take my time
Guiding the blade down the line
Each cut closer to the vein
Bleed! Bleed!

This state is elevating
As the hurt turns into hating
Anticipating all the fucked up feelings again

The hurt inside is fading
This shit's gone way too far
All this time I've been waiting
Oh I can not grieve anymore

For once inside awaking
I'm done, I'm not a whore
You've taken everything
And oh I can not give anymore

I'm here to stay (bring it down)
I'm here to stay (bring it down)
I'm here to stay (bring it down)
I'm here to stay

Bring it down!
Bring it down!
Bring it down!
Bring it down!

Gonna break it down
Gonna break it down
Gonna break it down
Gonna break it down

Gonna break it down
Gonna break it down
Gonna break it down
Gonna break it

This state is elevating
As the hurt turns into hating
Anticipating all the fucked up feelings again

The hurt inside is fading
This shit's gone way too far
All this time I've been waiting
Oh I can not grieve anymore

For once inside awaking
I'm done, I'm not a whore
You've taken everything
And oh I can not give anymore

Give anymore
Give anymore
Give anymore
Give anymore

Make Believe

I'm thinking of
Thanking all the fucked people
Thanking all the shit I love
They are all the things I've made
Straight from my heart
Begging all the same people
Burning is the same evil
Somehow making me feel sane

Waiting all this time
I've got nothing to hold on
But the faces of my life
I can see before I'm gone

Sometimes I feel it chasing me
All the hate that's breaking me
I realise I'm taking everything
And the kids seem to follow

This time I feel it taking me
To a place I'm hate to be

All along I seem to make believe
And the shit seems to follow

I'm thinking of
Making all the fucked people
Making the bitches I love
Make them die and go away
Pain from the start
All my dreams are ripped apart
Thanking all the fucked people
They are all the things I've saved

Waiting all this time
I've got nothing to hold on
But the faces of my life
I can see before I'm gone

Sometimes I feel it chasing me
All the hate that's breaking me
I realise I'm taking everything
And the kids seem to follow

This time I feel it taking me
To a place I'm meant to be
All along I seem to make believe
And the shit seems to follow

Your life, I hate it
Oh God, can I reclaim?
Stop and help me

Sometimes I feel it chasing me
All the hate that's breaking me
I realise I'm taking everything
And the shit seems to follow

This time I feel it taking me
To a place I'm meant to be
All along I seem to make believe
And the shit seems to follow

The shit seems to follow

Blame

So I think you are a fool
Hanging on my every word
It's getting ugly
So I'm ugly

Tear me from your heart
Tearing me apart

So I thought you disappeared

Being alone is what you fear
Are you lonely?
Yes lonely

Tear me from your heart
Tearing me apart

Rolling, and throwing, consoling
Everything that goes this far
Joking and hoping, revolting
All that shit that's who you are
Hoping, and scolding, revolving
Peel it back, reveal the scar
Loathing, exploding, controlling
This is what you really are

The time is coming
God is saying
You're really happy
What a game
The time is coming
A bed of flames
Your life is over and you're to blame
The time is coming
You've gone insane
You're feeling happy
You've won the game
The time is coming
A bed of flames
Your life is over and you're to blame

Rolling, and throwing, consoling
Everything that goes this far
Joking and hoping, revolting
All that shit that's who you are
Hoping, and scolding, revolving
Peel it back, reveal the scar
Loathing, exploding, controlling
This is what you really are

Beat It Upright

Are you ready for a good pounding baby? (get down)
Are you ready to get it on? (get down, get down)
Don't pretend you're not fucking freaky baby (get down)
I will spank that ass just for fun (get down on the ground)

Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive

The time is right

I want to feel it good tight
I'm down to do this all night
I'm gonna deal it up right

I'll behave
Oh my god
Make me beg
My god

Yes I'm ready for a good flogging baby (my god)
Come on beat my ass for fun (get down, get down)
Don't let up till my ass is bleeding baby (get down)
Don't let up until you are done (get down, on the ground)

Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive

The time is right
I wanna feel it good tight
I'm down to do this all night
I'm gonna beat it up right

We're gonna ride
I got my tongue inside and outside now
Don't try to run and hide
Yes it's true what they say about my kind

Are you ready for a good pounding baby? (get down)
Are you ready to get it on? (get down, get down)
Don't pretend you're not fucking freaky baby (get down)
I will spank that ass just for fun (get down, on the ground)

Ass up high
Make a motherfucker cry
It's so good that I could die
Help me stay alive

The time is right
I wanna feel it good tight
I'm down to do this all night
I'm gunna beat it up right

Bottled Up Inside

It ain't fading
Man I got to let it out
Am I quitting?
Screaming nothing ever come out
I keep feeling lost
I'll never find my way out
I'm not thanking them
Unless the truth can pour out

Give me some courage
Beating me down the (?) sometime
Are you laughing at my body?
I hate and slide
I hate and slide

I take this time
To let out what's inside
Cause I will panic
Sometimes I wish you'd die
Full of sorrow
You may bestow my pride
And all this hate is bottled up inside

My heart is breaking
Man you really ripped it out
You take pleasure watching as I claw my way out

The hurt rising
Soon it's going to tear my soul out
It's not kosher feeling like I'm on my way out

Give me some courage
Beating me down the (?) sometime
Are you laughing at my body?
I hate and slide
I hate and slide

I'll take this time
To let out what's inside
Cause I will panic
Sometimes I wish you'd die
Full of sorrow
You may bestow my pride
And all this hate is bottled up inside

Feeling the haze as they cut down my spine
Peeling your flesh like the way you've cut mine
Do you feel happy you fucked up my mind
You're going to pay this time

I'll take this time
To let out what's inside
Cause I will panic
Sometimes I wish you'd die
Full of sorrow
You may bestow my pride.
And all this hate is bottled up inside

Thoughtless

Going through the pages of my fantasies
Pushing all the mercy down, down, down
I wanna see you try to take a swing at me
Come on, gonna put you on the ground, ground, ground

Why are you trying to make fun of me?
You think it's funny?
What the fuck you think it's doing to me?
You take your turn lashing out at me
I want you crying when you're dirty in the front of me (?)

All of my hate cannot be found
I will not be drowned by your thoughtless scheming
So you can try to tear me down
Beat me to the ground
I will see you screaming

Come and fill the pages of my fantasies
I'm above you, smiling at you, drown, drown, drown
I wanna kill and rape you the way you raped me
And I'll pull the trigger
And you're down, down, down

Why are you trying to make fun of me?
You think it's funny?
What the fuck you think it's doing to me?
You take your turn lashing out at me
I want you crying when you're dirty in the front of me

All of my hate cannot be found
I will not be drowned by your thoughtless scheming
So you can try to tear me down
Beat me to the ground
I will see you screaming

All my friends are gone, they died (gonna take you down)
They all screamed, and cried (gonna take you down)

I got my monkey, got my monkey back against the wall (?)
Gonna take you down

All of my hate cannot be found
I will not be drowned by your thoughtless scheming
So you can try to tear me down

Beat me to the ground
I will see you screaming
All of my hate cannot be found
I will not be drowned by your thoughtless scheming
So you can try to tear me down
Beat me to the ground
I will see you screaming
