

Nirvana

Floyd The Barber

Bell on the door rings come on in
Floyd observes my hairy chin
Sit down in the chair don't be afraid
Steaming hot towel on my face

I was shaved
I was shamed
I was shaved

Barney ties me to the chair
I can't see I'm really scared
Floyd breathes hard, I hear a zip
Pee-Pee pressed against my lips

I was shaved
I was shamed
I was shaved

I sense others in the room
Opie, Aunt Bea I presume
They take turns and cut me up
I die smothered in Aunt Bee's muff...

I was shamed
I was shamed
I was shaved

Paper Cuts

When I'm feeling tired
She pushed food through the door
And I crawl towards the crack of light
Sometimes I can't find my way
Newspapers spread around
Soaking all that they can
A cleaning is due again
--a good hosing down

The lady whom I feel maternal love for
Cannot look me in the eyes
But I see hers and they are blue
And they cock and twist and masturbate

I said so
Nirvana

Black windows of paint
I scratched with my nails
I see others just like me

Why do they not try to escape?
They bring out the older ones
They point in my way
They come with a flash of light
And take my family away

And very later I have learned to
Accept some friends of ridicule
My whole existence is for your amusement
And that is why I'm here with you!
To take you with me
You're right
Nirvana

Negative Creep

This is out of our reach... and it's grown
This is getting to be... drone
I'm a negative creep and I'm stoned!

Daddy's little girl ain't a girl no more

This is out of our range... and it's crude
This is getting to be... like drone
I'm a negative creep and I'm stoned!

Fuck! Yeah! Drone! Stoned!

Lounge Act

Truth covered in security
I can't let you smother me
I'd like to but it couldn't work
Trading off and taking turns
I don't regret a thing
And I've got this friend, you see
Who makes me feel and I
Wanted more than I could steal
I'll arrest myself, I'll wear a shield
I'll go out of my way to prove I still
Smell her on you

Don't tell me what I wanna hear
Afraid of never knowing fear

Experience anything you need
I'll keep fighting jealousy
Until it's fucking gone

I'll go out of my way to make you a deal
We've make a pact to learn from who
Ever we want without new rules
We'll share what's lost and what we grew
They'll go out of their way
To prove they still
Smell her on you

Stay Away

Monkey see, monkey do
(I don't know why)
I'd rather be dead than cool
(I don't know why)
Every line ends in rhyme
(I don't know why)
Less is more, love is blind
(I don't know why)

Stay away

Give an inch, take a smile
(I don't know why)
Fashion shits, fashion style
(I don't know why)
Throw it out and keep it in
(I don't know why)
Have to have poison skin
(I don't know why)

Stay away

God is gay

Endless Nameless

Silence

Here I am
Here I am
Silent

Bright and clear
It's what I am
I have
Died

uhhhh (or mother? x4)
uhhhh
uhhhh
uhhhh

Death
With violence
Excitement
Right here

Died
Go to hell
Here I am
Right here

Ow

No mas
No mas
No mas
No mas

Death
Is what I am
Go to hell
Go to jail

In back of that
Crime
Here I am
Take a chance
Dead

Die

Other interpretations

Stain

Well he never bleeds and he never fucks
And he never leaves 'cause he's got bad luck.
Well he never reads and he never draws

And he never sleeps 'cause he's got bad blood yeah
I'm a stain, I'm a stain, I'm a stain, I'm a stain

Beeswax

Why doesn't she need him for a father?
Not only maidens can occupy my shack
Goring my manhood turns a man off.
Like Pepe LePew would say,
Hey, hey, hey! -- then we clash!

I got my diddly spayed

She laughs about it.
Shrinking inflections if the wind blows just right.
Jacking themselves off polyester.
I wanna jump, this isn't right!
Hey, when am I getting it back?

I don't know why,
I got a joke too silly to say.
Don't touch the balls.
I got a dick, Dick -- hear my fucking hate!

If you're wondering, it's gaining monthly. (If your world is getting ugly)
Fiberglass insulated, the sky is cotton candy.
Spawning downstream, El Rancho Ovulate.
Feeling can't help me romp
Bill just fuck me, take me anal
Billy's slit reminds me of someone.
I'm sick of paying for the love boat
Tony and Tenille say wanna jump rope
And I say look!

I got my penis spayed,
I got a little tail,

I got my dingaling spayed
...nothing hard
I gotta be around pussy
Don't let me fall
I got a heh-heh...well you can't live
We got my dingaling spayed
When ya gonna learn?
