

SIMPLE PLAN LYRICS

"I'm Just A Kid"

I woke up it was 7
I waited till 11
Just to figure out that no one would call
I think i got a lot of friends but I don't hear from them
What's another night all alone?
When your spending everyday on your own
And here it goes

[Chorus:]

I'm just a kid and life is a nightmare
I'm just a kid, I know that its not fair
Nobody cares, cause I'm alone and the world is
Having more fun than me
Tonight...

And maybe when the night is dead, I'll crawl into my bed
Staring at these 4 walls again
I'll try to think about the last time, I had a good time
Everyone's got somewhere to go
And they're gonna leave me here on my own and here it goes

I'm just a kid and life is a nightmare
I'm just a kid, I know that its not fair
Nobody cares, cause I'm alone and the world is
Having more fun than me

What the fuck is wrong with me?
Don't fit in with anybody
How did this happen to me?
Wide awake I'm bored and I can't fall asleep
And every night is the worst night ever

I'm just a kid *[repeat x5]*

I'm just a kid and life is a nightmare
I'm just a kid, I know that its not fair
Nobody cares, cause I'm alone and the world is
Nobody wants to be alone in the world.

I'm just a kid and life is a nightmare
I'm just a kid, I know that its not fair
Nobody cares, cause I'm alone and the world is
Nobody wants to be alone in the world
Nobody cares, cause I'm alone and the world is
Having more fun than me tonight

I'm all alone tonight
Nobody cares tonight
Cause I'm just a kid tonight

SIMPLE PLAN LYRICS

"Addicted"

I heard you're doing okay
But I want you to know
I'm a dick
I'm addicted to you
I can't pretend I don't care
When you don't think about me
Do you think I deserve this?

I tried to make you happy but you left anyway

I'm trying to forget that
I'm addicted to you
But I want it and I need it
I'm addicted to you
Now it's over
Can't forget what you said
And I never wanna do this again
Heartbreaker
Heartbreaker
Heartbreaker

Since the day I met you
And after all we've been through
I'm still a dick
I'm addicted to you
I think you know that it's true
I'd run a thousand miles to get you
Do you think I deserve this?

I tried to make you happy
I did all that I could
Just to keep you
But you left anyway

I'm trying to forget that
I'm addicted to you
But I want it and I need it
I'm addicted to you
Now it's over
Can't forget what you said
And I never wanna do this again
Heartbreaker
Heartbreaker

How long will I be waiting?
Until the end of time

I don't know why I'm still waiting
I can't make you mine

I'm trying to forget that
I'm addicted to you
But I want it and I need it
I'm addicted to you
[x2]

Now it's over
Can't forget what you said
And I never wanna do this again
Heartbreaker

Heartbreaker
I'm addicted to you
Heartbreaker

"God Must Hate Me"

Last night I just wanted to have fun
To go out with my friends
I took my dad's car
I never thought he would find out
But I crashed in a wall
Man I'm dead
I guess it's no use
I'm screwing up ever little thing I ever try to do
I was born to lose
Yeah yeah yeah yeah

God must hate me
He cursed me for eternity
God must hate me
Maybe you should pray for me
I'm breaking down and you can't save me
I'm stuck in hell
And I wanna go home

Last night I had to study for this test
I forgot man I'm dead
And now my brain is bursting out of my head
I can't think I can't breathe
Once again

I guess it's no use
I'm screwing up every little thing I ever try to do
I'm born to lose
Yeah Yeah Yeah Yeah

God Must hate me
He cursed me for eternity
God Must hate me
Maybe you should pray for me
I'm breaking down and you can't save me
I'm stuck in hell and
I wanna go home

So what in the world am I supposed to do?
I never did anything to you
So can't you find something else to do?

God Must hate me
He cursed me for eternity
God Must hate me
Maybe you should pray for me
I'm breaking down and you can't save me
I'm stuck in hell and
I wanna go home
(God must hate me)
You can't save me
God Must hate me now

"Welcome To My Life"

Do you ever feel like breaking down?
Do you ever feel out of place?
Like somehow you just don't belong
And no one understands you
Do you ever wanna run away?
Do you lock yourself in your room?
With the radio on turned up so loud
That no one hears you screaming

No you don't know what it's like
When nothing feels all right
You don't know what it's like
To be like me

To be hurt

To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No you don't know what it's like
Welcome to my life

Do you wanna be somebody else?
Are you sick of feeling so left out?
Are you desperate to find something more?
Before your life is over
Are you stuck inside a world you hate?
Are you sick of everyone around?
With their big fake smiles and stupid lies
While deep inside you're bleeding

No you don't know what it's like
When nothing feels all right
You don't know what it's like
To be like me

To be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No you don't know what it's like
Welcome to my life

No one ever lied straight to your face
And no one ever stabbed you in the back
You might think I'm happy but I'm not gonna be okay
Everybody always gave you what you wanted
You never had to work it was always there
You don't know what it's like, what it's like

To be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No you don't know what it's like (what it's like)

To be hurt
To feel lost
To be left out in the dark
To be kicked when you're down
To feel like you've been pushed around

To be on the edge of breaking down
And no one's there to save you
No you don't know what it's like
Welcome to my life
Welcome to my life
Welcome to my life

"Crash And Burn"

One more day before you go
We'll stay up late for one more show
Grab the keys we're going out
We're leaving home and we won't come back again
We're friends till the end
We'll take on the world
We just don't care at all

I never wanted to believe that you could lie
That friends deceive
And here I stand I'm still the same
I watched you change
You won't come back

[Chorus]

I wonder what it's like to be like you
(I wonder what it's like to be like you)
To never really care how bad it hurts
(To never really care how bad it hurts)
So go ahead and lie and keep moving on
It's all about yourself and you're never wrong
I'll watch you crash and burn

The day is gone
It's cold out
I walk alone as you fade out
I don't know why I'm reaching out
And now I know you won't come back

[Chorus]

Do you remember the days?
Way back when we used to say
Nothing can change us
No one will stop us
I'll never be like you

I'll watch you crash and burn
You're never wrong and you keep moving on

"Thank You"

I thought that I could always count on you,
I thought that nothing could become between us two.
We said as long as we would stick together,
We'd be alright,
We'd be ok.
But I was stupid
And you broke me down
I'll never be the same again.

So thank you for showing me,
That best friends can not be trusted,
And thank you for lying to me,
Your friendship and good times we had you can have them back

Yeah!

I wonder why it always has to hurt,
For every lesson that you have to learn.
I won't forget what you did to me,
How you showed me things,
I wish I'd never seen.
But I was stupid,
And you broke me down,
I'll never be the same again.

So thank you for showing me,
That best friends can not be trusted,
And thank you for lying to me,
Your friendship the good times we had you can have them back

When the tables turn again,
You'll remember me my friend,
You'll be wishing I was there for you.
I'll be the one you'll miss the most,
But you'll only find my ghost.
As time goes by,
You'll wonder why,
You're all alone.

So thank you for showing me,
That best friends can not be trusted,
And thank you for lying to me,
Your friendship and good times we had you can have them back.

So thank you, for lying to me,
So thank you, for all the times you let me down
So thank you, for lying to me,
So thank you, your friendship you can have it back

"Me Against The World"

We're not gonna be
Just apart of their game
We're not gonna be
Just the victims
They're taking our dreams
And they tear them apart
Til everyone's the same
I've got no place to go
I've got no where to run
They love to watch me fall
They think they know it all

I'm a nightmare, a disaster
That's what they always say
I'm a lost cause, not a hero
But I'll make it on my own
I've gotta prove them wrong
Me against the world
It's me against the world

We won't let them change
How we feel in our hearts
We're not gonna let them control us
We won't let them shove
All their thoughts in our heads
And we'll never be like them

I've got no place to go
I've got no where to run
They love to watch me fall
They think they know it all

I'm a nightmare, a disaster
That's what they always say
I'm a lost cause, not a hero
But I'll make it on my own
I'm gonna prove them wrong
It's me against the world
Me against the world

Now I'm sick of this waiting
So come on and take your shot
You can spit all your insults
But nothing you say is gonna change us
You can sit there and judge me
Say what you want to
We'll never let you in

I'm a nightmare, a disaster
That's what they always said
I'm a lost cause, not a hero

But I'll make it on my own
Me against the world

I'm a nightmare, a disaster
That's what they always said
I'm a lost cause, not a hero
But I'll make it on my own
I've got to prove them wrong
They'll never bring us down

We'll never fall in line
I'll make it on my own
Me against the world

"Jump"

Jump!

I don't wanna wake up today
Cause everyday's the same
And I'd been waiting so long
For things to change
I'm sick of this town
Sick of my job
Sick of my friends 'cause everyone's jaded
Sick of this place, I wanna break free
I'm so frustrated, I just wanna

Jump! (Jump!)
Don't wanna think about tomorrow (Jump!)
I just don't care tonight
I just wanna jump (Jump!)
Don't wanna think about my sorrow
Let's go
Forget your problems
I just wanna jump

I don't wanna wake up one day
And find out it's too late
To do all the things I wanna do
So I'm gonna pack up my bags
I'm never coming back
'Cause the years are passing by
And I'm wasting all my ti-ti-time
Sick of this house
Sick of being broke
Sick of this town, that's bringing me down
I'm sick of this place, I wanna break free,
I'm so frustrated, I just wanna jump

Jump! (Jump!)
Don't wanna think about tomorrow (Jump!)
I just don't care tonight,
I just wanna jump (Jump!)
Don't wanna think about my sorrow
Let's go
Forget your problems
I just wanna jump
I just wanna jump

I can't take it anymore [x3]

Forget tomorrow, I just wanna jump (Jump!)
Don't wanna think about tomorrow (Jump!)
I just don't care tonight,
I just wanna jump (Jump!)
Don't wanna think about my sorrow
Let's go
Forget your problems
It's time to let them go
Forget tomorrow, I just wanna jump (Jump!)

I just wanna jump

"Untitled"

I open my eyes
I try to see but I'm blinded by the white light
I can't remember how
I can't remember why
I'm lying here tonight

And I can't stand the pain
And I can't make it go away
No I can't stand the pain

How could this happen to me
I made my mistakes
I've got no where to run
The night goes on
As I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me

Everybody's screaming
I try to make a sound but no one hears me
I'm slipping off the edge
I'm hanging by a thread
I wanna start this over again

So I try to hold onto a time when nothing mattered
And I can't explain what happened
And I can't erase the things that I've done
No I can't

How could this happen to me
I made my mistakes
I've got no where to run
The night goes on
As I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me

I made my mistakes
I've got no where to run
The night goes on
As I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me
