"Slow Love"

Get em up get em up get em up
Come on come on
Come and get some of this
Yeah baby come on
Come and get some of this slow love
Let's get it on
Come and get some of this
Yeah baby you ready
Come and get some of this slow love

Lay back and relax
I've got the love
You've been searchin' for
Ain't out for games
So can't mess with your mind
I just wanna love you
And take my time
(Come and get)
Ohter guys like to
Hit and run
Baby I'm not the one
Can't stop till you're satisfied so

Come and get some of this slow love
(Slow love baby)
Ain't no need to rush
We've got all night to fly
(All night baby yeah, yeah)
Come and get some of this slow love
(Come and get this slow love oh)
Let's just take our time
And do it right

With a love like mine
No wrong can be done
Cause i'll be lovin' you
One on one
(One on one)
Don't know who loves you before me
Not sayin'
I'm a perfect man
But i'll love you perfectly
I'm not the kind of guy
Who likes to take it fast
Gotta make it last, tonight
Other guys
Like to hit and run
Baby I'm not the one
Can't stop till you're satisfied it's slow

Ain't gonna ask is it
Good to you
I know what to do
With the up and down
Round and round
I'm just gonna give it to you
(Just gonna give it to you girl...)

Nice and slow
Here we go ho!

(Yeah uh huh)
Here we go
(Come n' get)
Oh yeah
Here we go
(Come n' get some of this)
Yeah, yeah, yeah
(Come n' get)

Nice And Slow Lyrics

Ah what cha doing
You know I'm coming over right
(now baby tell what you wanna do with me)
Now you got it hot for me already baby
Okay
I'll be there in about uh, give me ten minutes
Be ready
Ah
Wear that little thing I like
(now baby tell what you wanna do with me)
It's seven o' clock
On the dot
I'm in my drop top
Cruisin the streets - oh yeah
I gotta real pretty - pretty little thing that's waiting for me
I pull up
Anticipating good love
Don't keep me waiting
I got plans to put my hands in places
I never seen girl you know what I mean

Let me take you to a place nice and quiet
There ain't no one there to interrupt
Ain't gotta rush
I just wanna take it nice and slow
(now baby tell what you wanna do with me)

See I've been waiting for this for so long
We'll be makin' love until the sun comes up
Baby

I just wanna take it nice and slow
(now baby tell what you wanna do with me)
now here we are
Drivin' round town
Contemplating where I'm gonna lay you down
Girl you got me sayin'
My, my, my
I wish that I could pull over
And get this thing started right now
I wanna do something freaky to you baby
I don't think they heard me
I wanna do something freaky to you
So call out my name

They call me US-HER-RA-YM-OND
Now baby tell me what you wanna do with me
Gotta nigga feenin' like Jodeci
Every time that you roll with me, holdin' me
Tryin to get control of me
Nice and Slowly
You know
Never lettin' go
Never messin' up the flow
This is how the hook go

Now tell me, do you wanna get freaky?
Cause, I'll freak you right I will, I'll freak you right i will,
I'll freak you like no one ha s ever made you feel.
I'll freak you right I will, I freak you right I will,
I'll freak ya, freak ya, like no one has ever made you feel...yeah!
(now baby tell what you wanna do with me)

: Just Like Me Lyrics

You got it going on (what, what)
you got it going on (what, what)
Come on, come on Strictly fuck with those 6-digit niggas
If the first one is a (9) they a buck behind
I live my rhyme
At the same time can't find myself layin up
If you payin up
Bullets start sprayin up
you know my niggas is sick

the game ain't enough
for you to run up in this
I needs stacks of chips
you know dream house money,
Shit you just like me so don't start acting funny

(Usher)
Your the kind of girl that makes
Everybody feel that your just so damn good (so damn good)
But your secrets I found out
So don't deny what you're about
I know the truth, you know I do (I do)

I know you get lonely
Just like me
And you want it
Just like me
But act like you don't
you know you're just like me

(Usher)
Quiet is kept you cry for help
When no one else is there I betcha you touch yourself
Does it feel good?
Late night calls, I betcha you do it all
Anything to get it off
but you still persist to front on me
Baby tell me

Why (oh why) do we play this game of chase
When we know we both feel the same way
And why
do you put me through all these changes
When you know your just a freak like me
your just like me

(Lil Kim)
If I had one wish in the world, I swear to God
It would be for girls to rock pearls, straight out the oyster
Voice your opinion Queen Bee made a million
Got mirrors on my ceiling, so I can see it
When ya head be in between it, if I had a penis
I'd be hard that's for real though, niggas start shit,
I'd just flash out my dildo, ya'll move too quick

Thought I'd be memorized by your cocaine bricks
And ya smoke gray six, nigga thought you was a groupie
obsessed fan with my picture in your hooptie
You heard my record now ya know I'm freaky
So ya wanna wreck it and ya wanna see me
How your dreams be, you want me sexual
In a gun fight, 2 on 3
I'm next to pull, and I love life
Something you never could imagine, then you woke the fuck up
It's just rappin'

(Hook)

Don't front like you don't girl you're just like me

Just like me
Just like me

U Got It Bad Lyrics

When you feel it in your body
You found somebody who makes you change your ways
Like hanging with your crew
Said you act like you're ready
But you don't really know
And everything in your past - you wanna let it go

I've been there, done it, fucked around
After all that - this is what I found
Nobody wants to be alone
If you're touched by the words in this song
Then baby...

U got, u got it bad
When you're on the phone
Hang up and you call right back
U got, u got it bad
If you miss a day without your friend
Your whole life's off track
You know you got it bad when you're stuck in the house
You don't wanna have fun
It's all you think about

U got it bad when you're out with someone
But you keep on thinkin' bout somebody else
U got it bad

When you say that you love 'em
And you really know
Everything that used to matter, don't matter no more
Like my money, all my cars
(You can have it all back)
Flowers, cards and candy
(I do it just cause I'm...)
Said I'm fortunate to have you girl
I want you to know
I really adore you
All my people who know what's going on
Look at your mate, help me sing my song
Tell her I'm your man, you're my girl
I'm gonna tell it to the whole wide world
Ladies say I'm your girl, you're my man
Promise to love you the best I can

See I've been there, done it, fucked around
After all that - this is what I found
Everyone of y'all are just like me
It's too bad that you can't see
That you got it bad...hey

U got, u got it bad
When you're on the phone
Hang up and you call right back
U got, u got it bad
If you miss a day without your friend
Your whole life's off track
You know you got it bad when you're stuck in the house
You don't wanna have fun
It's all you think about
U got it bad when you're out with someone
But you keep on thinkin' bout somebody else
U got it bad

breakdown

U got, u got it bad
When you're on the phone
Hang up and you call right back

U got, u got it bad
If you miss a day without your friend
Your whole life's off track
You know you got it bad when you're stuck in the house
You don't wanna have fun
It's all you think about
U got it bad when you're out with someone
But you keep on thinkin' bout somebody else
U got it bad

My Way Lyrics

Ooh, Ooh, Hey
Yo see it's rare that you find people like us
Cause all ya'll other (look) out there doing what i'm doing
Or trying to do what im doing, but you can't
Cause I do what I do my way
What about you huhhhh, huhhh, Come On!!!!

I do any and everything you want to
Make your girl go oooh-oooh
Why's he so fly
She beeps me, whenever she wanna get freaky
You can get mad if you want Say what ever you want
But shes still gonna give it up

She likes it my way, my way,
You can't satesify her needs
She keeps running bak to see me do it
My way, my way
What I say goes, and I'm in control

Bad ass senioritas to sweaters with kicks
New kicksit's all in the mix
Don't turn no tricks, they turn for me
Catchin bricks don't concern me
So forget it Lil midget, my mind on seven digits
Before I pay heaven's skies a visit, now it
I'm pullin all stops , lockin down all spots
Sayin you can't front on me
So from this day forth you know I'm all about heat
And what I do be the major league
That's why your girlfriend's paging me
And she know like he know, you don't see her like I see her
So she's out the do'
Shot gun in my drop havin' fun with the Don, system, Bassun
Conversation about how she be chasin' me

And facin' me sayin' give it to me now, baby

She likes it my way, my way,
You can't satsify her needs
She keeps running bak to see me do it
My way, my way
What I say goes, and I'm in control

Don't check me
It was your girl who let me
Take it this far then, ooh-wee
She had to have it every chance that she could get
But you think I'm a baller
And I ain't gonna call her
Clip that, you can get mad if you want to
Say whatever you want...
But she's still gonna give it up
She likes it....

She likes it my way, my way,
You can't satsify her needs
She keeps running bak to see me do it
My way, my way
What I say goes, and I'm in control

Come Back Lyrics

Ooh, Ohh, hey...

You know what to do
Just call me and my crew
To the rescue

And watch the ba bump, bump, bump
Till yo' speakers pop

Now my heart made a change
My whole world's rearranged
And I'm ready
To give you what you deserved
Baby, baby, baby please

(Hook)

Come back, Come back
Lover this is where you belong
In my arms, in my world
Come back, Come back
Lover this is where you belong
In my life, as my girl
The grass is greener
On the other side
We take people for granted til they're
Out of sight
I don't think that you know how much I'm going through
I don't think that you know how much I really love you

All I do
Is think of you
I can't eat
Can't sleep
Baby it ain't hard to see (all I do)
All I do
Is think of you
And the bump, bump, bump, bump diggy, diggy, bump, bump, baby

(Hook)

It's not what you want baby
But what you need surger
Come back with me
Satisfaction guaranteed baby

"I Will"

Bedtime Lyrics

Craving your body all through the night
Feels like I'm going through withdraws
I wanna hold you
I want you inside of these arms
I'm dying to taste you, I can't deny
Can't get out of my mind
Please let me hold you
Cause I need your lovin' tonight

(Hook)

Whenever I'm near you
My love just comes down
Whenever I see you
I just want you around
Cause I wanna feel you
All through the day and the night
Whenever I'm near you
It feels like bedtime

Constantly thinking of things to do
Places where we can make love
I wanna freak you
I'll freak you wherever you want
Placing my kisses all over you
Caressing you so nice and slow
Oh how, I want you
Girl there's something I want you to know

(Hook)

Do you get lonely
Thinking about me
Am I the only
Girl I dream of or think of at all
Are you into me
Outta your mind for me
Say you can't go a day without me
Girl I love yeah, and I want you yeah,
And I need you, I need you, I need you

Got so good to me doubled back twice, I
Musta been outta my mind
Knowin' I don't wanna
I'm about to nut up
Guess it's too late to turn back now
Can't apologize cuz that ain't my style
Shorty rainin' wet
Up in my ear talkin' 'bout

I got what you came for
This here got your name on it

Go on and hit it
That's what it's made for
We got protection
That's what it's made for
Boo why you trippin' now
You know i got it
That's what it's made for
So I can do you like this, baby
So I can freak you like this, baby

But we gon' still get down like this

Game rules, no cap no cut
But even Superman couldn't turn your love down, I
Slipped up, slipped in
Hey man what the hell you doin?
Raw dog is a never
I know I know better
Heard her whisper
Don't worry I'm safe
Didn't matter cuz it's already to late
I was lost in the sauce, dead wrong
And I ain't stoppin' now
Parleein' in the bush again
Didn't think about what I was puttin' in it

Go on and hit it
That's what it's made for
She said, "You got somethin on right?"
That's what it's made for
Boo why you trippin'
You know I got it
Thats what it's made for
So I can do you like this, baby
So I can freak you like this, baby
know you ain't felt it like this, baby
Girl I forgot it
But we gon' still get down like this

"Do It To Me"

Ooh no no, no no no no....

[Verse 1:]

I got two-dozen roses, and a card that says baby I can't wait to see you later

[Chorus:]

Do it to me, I wanna feel you touch my body baby, body baby
Do it to me I guarantee you won't regret it let me set it out like you ain't never had it
Do it to me I want you to grab me talk to me tell me how you like it when you want it when you all up on it ooh
Do it to me I'm gonna give it to you, I'm gonna make this a night to remember

[Verse 2:]

Watchin' you work the stick in the ride, the motion how you move from 3rd to 5
Can't imagine what it's gon' be once we get inside
And you put that ooh wee on me and you want me the same way, ooh I can't wait
I'm tired of thinkin' about it, speakin' about it, baby it's time to be about it, turn off the lights, take off your
clothes, jump in the bed, and let it flow
Squeeze and holdin' bitin' scratchin' spankin' screamin' pullin' my hair when you need me everything
goes...baby when you....

[Chorus:]

Do it to me, I wanna feel you touch my body baby, body baby
Do it to me I guarantee you won't regret it let me set it out like you ain't never had it
Do it to me I want you to grab me talk to me tell me how you like it when you want it when you all up on it ooh
Do it to me I'm gonna give it to you, I'm gonna make this a night to remember

[Bridge:]

So long I waited for this night to get inside you look in your eyes and tell you baby take me I'm yours
And if you feel anything like I feel, by the end of the night I'm certain you'll be screamin' for more
I wanna do anything and everything to your body till you break down can't take no more
From the bed to the floor, to the top of the stairs you gon' get it baby please please...ooh DO IT TO ME....

[Chorus:]

Do it to me, I wanna feel you touch my body baby, body baby

Do it to me I guarantee you won't regret it let me set it out like you ain't never had it
Do it to me I want you to grab me talk to me tell me how you like it when you want it when you all up on it ooh
Do it to me I'm gonna give it to you, I'm gonna make this a night to remember
